Small-town Connecticut art teacher Ellie James finds the intense connection sheâ€™s longing for when she meets Will Hastings, a seductive Englishman with an alluring darkness. But just days later, her sister and grandmother are murdered and she must confront the unthinkable: is Will a man she can trust, a killerâ€™or both?

After surviving a near-fatal attempt on her life, Ellie makes a desperate move: she takes her young niece Lissie and runs to England with Will. There, fiery passion becomes possession, London paparazzi call her by another name, and assassins of a secret society close in after the stunning truth about Ellieâ€™s family is exposed. When Will suddenly disappears after putting a ring on her finger, Ellie must find the strength to elude assassins, disentangle herself from the haunting lies sheâ€™s lived for twenty-seven years, and answer one pressing question: who is Ellie James?
